IN REPLY TO:

John & Darren Stevenson  
RR 1, Box 17  
Rockville, NE 68871

Dear John & Darren:

The Modification form for the well identified as G-051644 is being returned to you for the following reasons:

1. Item 15: Your signature and date are required on the back of the form.
2. Item 6A: The legal description given is too specific to equal the number of acres irrigated. The NE $\frac{1}{4}$  of the NW $\frac{1}{4}$  equals only 40 acres and you are irrigating 115 acres. If you are irrigating most of the NW $\frac{1}{4}$  then this is how you would write it: "Most of NW $\frac{1}{4}$ ".

The document(s) that have been returned to you will need to be resubmitted with the requested information completed. If you have any questions, please feel free to contact me.

Sincerely,

*Wendy Evans*
