This is to certify that the foregoing Application Number....., for a permit to divert water for irrigation has been examined, and it is hereby approved subject to the following limitations and conditions, viz:

1st. That the source of the appropriation is.....

2nd. That the water appropriated shall be used for irrigation purposes only.

3rd. That the priority date of this appropriation is.....

4th. That the applicant shall file in the office of the Department of Roads and Irrigation on or before....., 19....., a map as provided by Section 46-237, Revised Statutes of Nebraska, 1943, and it must be prepared in accordance with the rules and regulations of the department. No rights shall be deemed to have been acquired until the provisions of this section shall have been complied with, and a failure to so comply shall work a forfeiture of the appropriation and all rights thereunder.

5th. That the work of construction shall begin on or before..... The applicant shall vigorously, diligently and uninterruptedly prosecute such work to completion, as provided in Section 46-238, Revised Statutes of Nebraska, 1943, unless temporarily interrupted by some unavoidable and natural cause. A failure to comply with the provisions of this section shall work a forfeiture of the appropriation and all rights thereunder.

6th. That the time for completing the work of construction shall extend to....., 19.....

7th. That the time for completing the application of water to beneficial use indicated shall extend to....., 19.....

8th. That the riparian rights of the owners of land bordering on streams in Water Division Number....., including the right to use water for domestic purposes, and water for stock, must be respected.

9th. That the prior rights of all persons who, by compliance with the laws of the State of Nebraska, have acquired a right to the use of the water of this stream must not be interfered with by the issuance of this permit.

10th. That at the time of filing of map of the project showing the area to be reclaimed, the applicant shall return this permit to the Department of Roads and Irrigation for the purpose of completing the record.
