PLEASE NOTE THAT A RESPONSE TO THIS FORM IS REQUIRED WITHIN THIRTY (30) DAYS OF THE DATE OF MAILING THIS FORM.

I recognize this form also serves as a Nebraska Department of Natural Resources (DNR) form and acknowledge that a copy of this form may be sent to the Department (DNR). I agree this form shall serve as notification to the Department (DNR) that any recorded water well information that is inconsistent with the information reflected in this form should be revised in accordance with the information on this form. For any registered well that is identified on this form, the Department (DNR) may use the information herein to process a change of well ownership, a change in use, a change in the location of the well or of the use of the water from the well, a change in number of acres irrigated by the well, or any other change relative to the registered well data base for that well. The Department (DNR) shall not collect a fee for the filing of this form.

Any falsification of reported acres, will cause these acres to be revoked.
