Dear Mr. Webben:

We wish to acknowledge your registration papers for a replacement well located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 26, Township 10 North, Range 13 West of the 6th P.M., Buffalo County, Nebraska.

In checking our files we find that you have six wells registered with this department, however, we find no well located in Section 26-10-13. The registered wells show locations of Sections 35 and 36, with land irrigated in those sections, therefore, we feel that perhaps this well is not a replacement but an additional well. In which case it will be necessary for you to forward a check in the amount of \$7.50 to cover the registration fee.

We also note that you state on the registration you just completed that the well is located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 26; however, you state that you irrigate the W $\frac{1}{2}$ SW $\frac{1}{4}$ of the section. Please verify this description.

The registration papers shall be retained here until we hear from you regarding the new well.

Very truly yours,

DEPARTMENT OF WATER RESOURCES

TP
